

## AMA ELECTIVE AWARD FOR 2009

The Australian Medical Association has agreed to make an amount available each year to assist needy students in undertaking their elective term.

- 1 The award is to be known as the AMA Elective Award and will be offered annually to all MBBS students successfully completing fifth year and planning electives in Tasmania or elsewhere.
- 2 Selection will be made by a committee consisting of the Dean or nominee, the President of the AMA or nominee, and a clinical academic representative of the Faculty who is a medical practitioner. Selection will be on the basis of proven financial need and quality of the submission presented.
